

Knowing you have the support you need, whenever you need it makes all the difference in the world.

Resource Advisor

Giving you emotional, legal and financial guidance during life's challenging times

Life in the fast lane. That's normal speed these days. But when everyday problems like work-related stress or family issues become overwhelming or your life takes an unexpected turn, that's when you need help. Resource Advisor can give you the resources, guidance and support you need to manage your problems, before they become an emotional or financial burden. And, there's no additional cost to you.

Support is one phone call away

You can talk to a Resource Advisor counselor 24 hours a day, 7 days a week. Counselors can give you advice and options about how to handle your specific issue. They'll even help you find local professionals if you need additional support. And, if you have disability coverage with Anthem Life and have an approved disability claim, you'll automatically receive three face-to-face sessions with a licensed mental health professional. You can use this service during the six month period after your disability begins.

You also get professional legal and financial advice

If you've ever had legal or financial issues, you know that seeing a professional can be costly. With Resource Advisor, you get a total of three visits with a legal or financial consultant – one for each separate concern you may have. Legal discussions can be either face-to-face or over the phone. Financial discussions are only over the phone.

Added support for your beneficiaries when they need it the most

Thinking about death can be difficult. But being able to provide your loved ones with added comfort and guidance after you're gone is a lasting gift. With Resource Advisor, your beneficiaries will receive the specific professional assistance they may need. This includes three consultations with a mental health professional and three consultations with a legal and/or financial professional. Visits to these specialists can take place up to six months after you pass.
